

Authorization to Commit

Procurement is solely responsible for selecting sources, obtaining quotations and awarding purchase orders/contracts for material and services. Direct discussions between the requesting organization and the supplier shall be coordinated by the Procurement/Subcontracts Department.

The authority to commit purchase orders/contracts for Teledyne Electronic Technologies resides within the Procurement Organization only. The supplier shall not accept any oral statements or written direction from any person(s) other than the Buyer which modifies or otherwise affects the terms and conditions of the Purchase Order/Subcontract.

Price quotations shall be presented to the Procurement/Subcontracts Department only.
